MOAR and Friends 32nd Recovery Month Celebration Day September 29th, 2022

“Recovery is for Everyone, Every Family, Every Community”

Dear

September is Recovery Month! Thank you for supporting **MOAR** for 31 years! You have made Recovery Day **MOAR** special. It is always time to spread the message that **prevention works, treatment can be effective, and people can and do recover!** Before and during Recovery Month is an opportunity to increase awareness and understanding of mental health and addiction. COVID-19 brought its challenges to all suffering from addiction as well as those attempting to maintain recovery. We recognize that COVID has not gone away, and we will need to practice being COVID safe while we celebrate.

We cannot ignore a 9% increase in overdose deaths. We want to honor all who persevered to support the diversity of needs from race, culture, and health. However, it is a fact – recovery is real. Let’s spread hope! Let’s celebrate that we can and do recover!

MOAR thanks you for considering to be a **Recovery Month Sponsor**.

You will make our Recovery Month Celebration on Thursday, September 29th **MOAR** special.

Currently our plan is to meet at Boston Common with an opening rally followed by a march to Faneuil Hall for festivities.

We are MOAR grateful!

Let’s celebrate the societal benefits of addiction prevention, treatment, and recovery! Let’s recognize the contributions of treatment and service providers, and the message that recovery in all its forms is possible.

Recovery Month spreads the word that addiction recovery is essential to overall health, prevention works, treatment can be effective, and people do recover.
